

MINERAL RECYCLING FORUM 2022

Hilton Imperial Dubrovnik, 28-30 March 2022

COVID ADVISORY STATEMENT

The health and safety of our attendees, exhibitors, partners & staff is our top priority.

IMFORMED, in an effort to provide a safe and healthy environment for attendees during the ongoing COVID-19 pandemic, is working in partnership with the event hotel [Hilton Imperial Dubrovnik](#), complying with guidance from the [Government of Croatia](#) and the [WHO](#) (see links for latest regulations and updates).

However, COVID-19 is an extremely contagious disease and it is not possible to eliminate the risk of spreading or contracting COVID-19. An inherent risk of exposure to COVID-19 exists in any public place where people are present, and efforts to mitigate the risk of exposure to COVID-19 may not be sufficient to prevent spreading or contracting COVID-19.

Please Note:

- (as of 21 February 2022) Guests are obliged to wear face masks inside the hotel, through the public areas, and can take them off while consuming food and drinks, or while sitting on outside terraces.
- We ask that you follow all local guidelines and laws with respect to practicing social distancing and wearing a mask in public areas.
- Please check with local [public health and government authorities](#) regarding guidelines or requirements that may be in place for the location of your stay.

 1. immediately return to your bedroom for self-isolation until further instruction

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitiser that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home if you are sick, except to get medical care.
