

OILFIELD MINERALS & MARKETS **FORUM** HOUSTON 2022

Hilton Houston Post Oak, Hilton, 23-25 May 2022

COVID ADVISORY STATEMENT

The health and safety of our attendees, exhibitors, partners & staff is our top priority.

IMFORMED, in an effort to provide a safe and healthy environment for attendees during the ongoing COVID-19 pandemic, is working in partnership with the event hotel [Hilton Houston Post Oak](#), complying with guidance from the [Houston Health Dept.](#) and the [WHO](#) (see links for latest regulations and updates).

However, COVID-19 is an extremely contagious disease and it is not possible to eliminate the risk of spreading or contracting COVID-19. An inherent risk of exposure to COVID-19 exists in any public place where people are present, and efforts to mitigate the risk of exposure to COVID-19 may not be sufficient to prevent spreading or contracting COVID-19.

Please Note: (as of 22 February 2022)

- Currently there are no mandated restrictions on capacity or required distancing in the meeting rooms.
- There is no mask mandate for employees and guests unless it is a request from an individual guest.
- In the public areas of the hotel there are hand sanitiser stations, enhanced cleaning processes.
- There is signage in elevators, entry doors, and outlets to encourage keeping distance.

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitiser that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home if you are sick, except to get medical care.
