

The 11th China Liaoning (Anshan Haicheng) International Magnesium Materials Expo in 2024

October 24-26, 2024
Haicheng, Anshan, China

Exhibition Location: Yiwu China Commodity City, Xiliu Haicheng, Anshan City, Liaoning Province, China

Forum Location: Ruiting Phoenix Hotel, Haicheng

【Exhibition Content】

● Scope

Mainly showcasing the latest achievements in development of the magnesium material industry, including new products, technologies, equipment, and achievements in the domestic and international magnesium material industry and raw and auxiliary materials.

● Content

- Trends and problems in the development of magnesium materials industry;
- The requirements and development trends of downstream technological progress in the industrial chain for this industry;
- Technological progress and development trends in magnesium industry both domestically and internationally;
- Green mining construction;
- New types of kiln, intelligent manufacturing and carbon dioxide emissions, new trends in carbon neutralisation;

【Exhibition distribution】

This exhibition plans to have 238 stalls covering areas such as magnesium materials; domestic and international products; raw materials and equipment.

【Organisation】

China Liaoning Intentional Magnesium Materials Exhibition Committee

【Government Supporting departments】

Liaoning Province Industry and Information Technology Department

Liaoning Natural Resources Industry Department

【Co-organisations】

Haicheng Municipal Committee

Haicheng City Council

Liaoning Nonmetallic Mining Industry Association

【Media】

China Industrial Economy of Journalism and Communication

China Magnesium Materials (www.lnmo.com.cn)

Metallic Mining Industry (www.cindmin.com)
